## EDUCATION

Cal Poly, San Luis Obispo, California- Second year  
Bachelor's of Architecture  
Expected Graduation: Spring 2019  
GPA: 3.83  
Deans List

## TECHNICAL SKILLS PROFICIENCY

Adobe InDesign	
Adobe Photoshop	
Adobe Illustrator	
Adobe Muse	
Rhino	
AutoCAD	
SketchUp	
Wood and Metal Shop	

## WORK EXPERIENCE

**Farrell Faber and Associates**, Santa Rosa, CA- Intern 2015, 2016

Modeling and rendering single and multi-family housing using Chief Architect and Photoshop, designing presentation scheme and replicable templates for delivery to clients, preparing drawings for submittal.

**Hedgpeth Architects**, Santa Rosa, CA- Intern 2015:

Modeled and rendered massing studies for multi-family housing and commercial buildings in Rhino, for use both during the design process and to present to clients. Also modeled in real time in collaboration with the architect and client, as a way to display the design as it was developing.

## AWARDS AND RECOGNITIONS

**National Conference on the Beginning Design Student-**

Work featured as representative of excellence in second year design.

**National Architecture Accrediting Board-**

Two projects selected to be submitted for university accreditation.
